**PERSEVERANCE &  
DILIGENCE**

You carry out work carefully and diligently. You keep going when others give up. Once you commit to something you see it through to the end. You enjoy the work without obsessing on perfection. You are ambitious in the best sense.

What are the signs of perseverance and diligence?

What type of jobs might suit a person who perseveres no matter what?

What advantage is there in persevering and being diligent about something?

**Make a plan to persevere & be diligent!**

I'd love to be more diligent and persevering in the following situation:

This is what would help me to persevere (e.g. get help or encouragement from someone):

When and where I'll persevere and keep working for something:
